Dear Mr. Sloan,

Enclosed are copies of the Laptop Audit and Outsourcing Audit which you requested in your August 28th letter to Chairman Rozier. Although the Outsourcing Audit was not approved by the Commission, it has been provided to the legislative committees named in S. C. Code Section 57-1-360(B)(2).

The Commission has asked that anyone requesting a copy of the Outsourcing Audit be made aware that the Outsourcing Audit was tabled because of the extremely poor quality of the work and the disappointing results after awaiting its publication for two (2) years. Due to a lack of confidence in the Chief Internal Auditor's ability to provide SCDOT with the level of study required, the Commission has chosen to seek an outside professional firm to provide this needed assessment of outsourcing practices.

Sincerely,

Linda C. McDonald
Chief Counsel
